SOMEDAY IS NOW GRANTING PROGRAM

A REGISTERED U.S. 501(C) (3) FUND

THE SOMEDAY IS NOW GRANT PROGRAM

The Vision of Someday Is Now is that everybody experiences the joy, pride, and soul-level satisfaction of accomplishing their cherished dream. We understand that sometimes making those dreams come alive requires financial support and we are committed to help our community members. Our initial grant amounts will range from \$500 to \$2,000 and we will increase the grant amount as we grow our fund.

The Someday Is Now Fund is held and administered by The San Diego Foundation. Grant Applications are first reviewed by the Someday Is Now Fund team and selected grants are submitted to The San Diego Foundation for final approval. 100% of every dollar that is donated to the Someday Is Now Fund is given out in grants to our community members. Someday Is Now covers the cost of managing the fund and grant administration through sales of their inspirational products as well as through support from sponsors.

APPLYING FOR GRANTS

The Someday Is Now Fund awards the majority of its grants to U.S. 501(c) (3) organizations and other tax-exempt organizations identified by our staff. We are currently developing our Grant Application for release in the first quarter of 2017. We will provide the application as a pdf download from our website and you may submit it either electronically or via mail. Over the next few months, we will be developing qualifying criteria to help you determine if your grant request meets the guidelines of the Someday Is Now Fund. Examples of areas that we do not fund are listed below:

- Direct donations or grants to individuals;
- Political campaigns and legislative lobbying efforts;
- Projects that do not contribute to the good of humanity;
- Grants for use to purchase capital items;
- Projects that exclusively serve religious purposes.
